

St. Augustine's Day School, Shyamnagar

Website Update & Enhancement Requirements

1. Menu Updates

- Add a new menu button titled "**Admission**" on the **yellow button** in the main menu bar.
- Add a "**Latest News**" item to the **top menu bar** for quick access to updates.

2. Home Page Enhancements

- Integrate a contact form within the homepage slider titled "**Apply for Admission**".
- The form should include the following required fields:
 - Parent's Name
 - Student's Name
 - Mobile Number
 - Alternate Mobile Number
 - Class (Dropdown: Lower Nursery to Class IX)

3. Admission Page Enhancements

Section 1:

- Add a **video section** on the **top left**.
- Place the "**Apply for Admission**" form on the **top right**, identical to the homepage version.

Section 2:

- **Remove** the existing photo and hyperlink from the "Admission Details" section.
- On the **left side**, add a "**Required Documents**" section.
- On the **right side**, retain and **update** the "Admission Details" content.

Continue The Rest Content after Section 2

4. Events Page

- Create a dedicated **Events** page showcasing:
 - **Upcoming Events**
 - **Executed Events**
- Enable **blog post integration** within the Events page for detailed coverage and updates.

5. Blog Section

- Develop a standalone **Blog** section.
- Add it to the main menu under the label "**News**".

6. Home Page Popup

- **Remove** the existing button from the popup.
- Add a section that links the **entire popup creative**, allowing users to click anywhere on the popup to visit the provided link.
- Ensure the popup is **centered** and **fully responsive** on mobile devices.

7. Mobile Responsiveness

- Improve the **mobile view** of the website.
 - Correct alignment issues and update the **structure and layout** across all pages for optimal mobile experience.
-

8. Access Requirements

- Please provide access to enable and configure the following plugins:
 - **SEO Plugin**
 - **Google Analytics**
 - **Google Site Kit**
